(the “**Calculation Agent**”)

CIX ESG Affordable Housing Bond (Series 496) Notes due 2025
ISIN: XS2545418183 COMMON CODE: 254541818
(the “**Notes**” or the “**Series**” and the holders thereof the “**Noteholders**”)

Capitalized terms used but not otherwise defined in this notice shall have the meanings ascribed to them in the Series Memorandum dated 11 October 2022 as revised on 5 April 2023 and the terms and conditions of the Notes (the “**Conditions**”) as same may be amended and / or supplemented from time to time.

NOTIFICATION OF PRINCIPAL REPAYMENT AND INTEREST AMOUNT

The Calculation Agent has determined that the Interest Amount in respect of each Note with a denomination of USD 1,000 for the Interest Period commencing on 14 October 2024 and ending on 02 September 2025 is USD 4.18 (Four United States dollars and eighteen cents). The Interest Amount has been calculated in accordance with the Conditions and reflects the accrual of interest over the Interest Period at a rate equal to 12% per annum.

In addition to interest, following a partial principal prepayment being made by the CIX Fund under the Loan, there will be a corresponding partial principal repayment of each Note. The principal amount being repaid per Note is USD 408.29 (Four hundred and eight United States dollars and twenty-nine cents). This payment, based on the amount

received by the Issuer, will lead to a pool factor of 0.04898 being applied to the Notes, reducing the outstanding principal balance of each Note.

Notwithstanding the fact that the Series Memorandum provides that no distributions are expected to be made until the Early Redemption Payment Date or Final Maturity Payment Date, as the case may be, both the Interest Amount and the partial principal repayment amount will be paid on 10 September 2025.
